

(2011 FALL GUIDE SHOWN ABOVE)

Techs & Specs is an editorial opportunity in Canada's largest agricultural publication. Techs & Specs appears twice annually as a magazine supplement to the Western Producer.

The Spring 2012 Edition, appearing April 5, will feature tractors of 100 HP and greater.

The Fall 2012 Edition will focus on sprayers.

We anticipate this will be a comprehensive listing, as past editions have been, that will serve the buying and information needs of Western Canadian farmers. Previous editions have had significant dwell times in farm offices, homes and shops.
